“The Swallow, The Owl & The Sandpiper”

Compiled by Claire Maitland for The Sandpiper Trust. This anthology starts with the Courage of the intrepid Swallow, who journeys thousands of miles annually in order to raise its young, overcoming endless challenges and hurdles along the way, brief encounters, highs and lows, twists and turns. It also has the Wisdom of the Owl who watches quietly, who listens patiently, who learns, and who leads by example and experience. It concludes with the Spirit of the little Sandpiper, forging lifelong friendships, rainy days and sunshine, tears, smiles and memories.

This new title is available for sale at the Art Exhibition.

£12 with all proceeds going to The Sandpiper Trust.
